Well, she was walking down the street
Looking fine as she could be, hey, hey
She was walking down the street
Looking fine as she could be, hey, hey.

If you have love and conversation
Oh yeah, what'd I say, hey, hey
She's about a mover, she's about a mover
She's about a mover, she's about a mover.

Hey, hey, hey, what'd I say
She's about a mover, she's about a mover
Well you know I love you baby
Oh yeah, what'd I say, hey, hey.

--- Instrumental ---

Well, he strolled right up to me and said
Hey, sweet thing, what's your name, hey, hey
Well, he strolled right up to me and said
Hey, sweet thing, what's your name, hey, hey.

Well, you know I love you baby
Oh yeah, what'd I say, hey, hey
He's about a mover...
He's about a mover she's about a mover
