I don't need a whole lot of money
I don't need a big fine car
I got everything that a man could want
I got more that I could ask for.

I don't have to run around
I don't have to stay out all night
I got a sweet, sweet lovin' woman
And she know how to treat me right.

Well, my baby she's all right
'Cause my baby's clean out of sight
Don't you know that she is some kind of wonderful
She's some kind of wonderful, yes she is.

When I hold her in my arms
You know she sets my soul on fire
Ooh, when my baby kisses me
My heart becomes filled with desire.

When she wrappes her lovin' arms around me
It drives me out of my mind
Yeah, and when my baby kisses me
It's chills me up on my spine.

Well, my baby she's all right
'Cause my baby's clean out of sight
Don't you know that she is some kind of wonderful
She's some kind of wonderful, yes she is.

She's some kind of wonderful.

--- Instrumental ---

Now is there anybody
Got a sweet lovin' woman like mine
There gotta be somebody
Got a sweet lovin' woman like mine.

Can I get a witness, can I get a witness
Can I get a witness, can I get a witness?...
