Might be dreamin', might be crazy
Thinkin' you might love me maybe
Poor hearts pounding, overflowin'
Taking bets, I know where it's goin'

Someday you'll love me, it's written in the stars
Someday you need me, to hold you in my arms
Someday you'll want me, just as much as I want you

Someday you'll love me, I will be the one
Someday you need me, just call and I will come
Someday you'll love me just as much as I love you
Just as much as I love you

There's a glimmer in you eye now
What I'm sure of soon you'll find out
Oh, I want you moonlight dancin'
I won't take no for no answer

Someday you'll love me, it's written in the stars
Someday you need me, to hold you in my arms
Someday you'll want me, just as much as I want you

Someday you'll love me, I will be the one
Someday you need me, just call and I will come
Someday you'll love me just as much as I love you
Just as much as I love you

Someday you'll love me, it's written in the stars
Someday you need me, to hold you in my arms
Someday you'll want me, just as much as I want you

Someday you'll love me, I will be the one
Someday you need me, just call and I will come
Someday you'll love me just as much as I love you
Just as much as I love you
