Oh, let's all sing a song for Ruby
Sing a song about what used to be
Let's all sing a song for Ruby
Ruby is a jewel to me.

We've all sang a song about good times
And some we did on a bet
There's one for Linda and Brenda
And someone we can't forget.

But there's one we forgot to remember
She'll be the first to agree
Let's all sing a song for Ruby
Ruby sang her song for me.

So, let's all sing a song for Ruby
Sing a song about what used to be
Let's all sing a song for Ruby
Ruby is a jewel to me.

--- Instrumental ---

You may find her down at Tootsie's
Or a honky tonk way cross town
Or the Holiday Inn with some of her friends
It might be that she might be found.

Don't miss her show at the Showcase
She'll do it all for free
Let's all sing a song for Ruby
Ruby sang her song for me.

So, let's all sing a song for Ruby
Sing a song about what used to be
Let's all sing a song for Ruby
Ruby is a jewel to me.

So, let's all sing a song for Ruby
Sing a song about what used to be
Let's all sing a song for Ruby
Ruby is a jewel to me.

Whoa, let's all sing a song for Ruby
Sing a song about what used to be
Let's all sing a song for Ruby
Ruby is a jewel to me...
