I'll still have memories, sweet memories of you.

Sometimes I wonder now and then of all the things that  
might have been

Thinking of the things we used to do

I should have shown you more than then I'll never have  
the chance again

I'll still have memories, sweet memories of you.

Memories of the past, dreams of things that didn't last

I'll still have memories sweet memories of you.

--- Instrumental ---

I brought your mem'ry from the past from all the things  
that didn't last

A memory of love we thought was true

Regrets are made of things that you always planned  
but never do

That's what brought memories, sweet memories of  
you.

Memories of the past, dreams of things that didn't last

I'll still have memories sweet memories of you...
