When was the last time you kissed me
And I don't mean a touch now and then
It's been a long time since you felt like my woman
And even longer since I felt like your man.

So, tell me if you think it's over
And I'll leave it up to you how it ends
And if there's someone
Who wants the love you can give him
Well, there's a honky tonk angel
Who'll take me back in.

We've been livin' a lie for so long
How much more do you think we can stand
There's an old friend out there and she's waiting
Lord, she's happy just holdin' my hand.

So, tell me if you think it's over
And I'll leave it up to you how it ends
And if he still wants the love you can give him
Well, there's a honky tonk angel
Who'll take me back in.

Yeah, there's a honky tonk angel
Who'll take me back in...
