God gave some a way of walkin'
Others have the gift of talkin'
They've all got a special way to please.

Some men fall for a pretty face
Others go for silk and lace
I bet he knew He'd bring me to my knees
When he gave her.

Those eyes, those eyes
Make me do most anything they want me to do
When I look in
Those eyes, those eyes
I know I will never say goodbye when I look into
Those eyes.

There's been times I thought of leavin'
Find another place for breathin'
After all I'm just a normal man.

I thought by now I would have done it
Somethings always kept me from it
The reason isn't hard to understand when I look in.

Those eyes, those eyes
Make me do most anything they want me to do
When I look in
Those eyes, those eyes
I know I will never say goodbye when I look into
Those eyes.

Oh, I don't know what you see in me
But you keep on pleasin' me
All my life I've been satisfied just to look in.

Those eyes (they turn me around)
Those eyes (they melt me down)
Make me do most anything they want me to do
When I look in
Those eyes (they get to me)
Those eyes (they set me free)
I know I will never say goodbye when I look into

Those eyes...
