Thanks for the times that you've given me
The mem'ries are all in my mind.
And now that we've come to the end of our rainbow
There's something I must say out loud

You're once, twice, three times a lady and I love you.
You're once, twice, three times a lady and I love you.

You share my dreams, my joy my pain
You make my life worth living for
And if I had my life to live over again
I'd spend every moment with you.

You're once, twice, three times a lady and I love you.
You're once, twice, three times a lady and I love you.

You're once, twice, three times a lady and I love you.
I love you...
