I reached out my arms and I touched you  
With soft words I whispered your name  
I held you right on the tips of my fingers  
But that was as close as I came.

My eyes had a vision of sweet lips  
Yeilding beneath my command  
I held you right on the tips of my fingers  
But I let it slip right through my hands.  
But I let it slip right through my hands.

Somebody took you when I wasn't looking  
I should have known from the start  
That it's a long long way from the tips of my fingers  
To the love hidden deep in your heart.  
To the love hidden deep in your heart.

I held you right on the tips of my fingers  
But I let it slip right through my hands.  
Yes, I let it slip right through my hands...
