(Billy Reid)

In the country lies a meadow  
In the meadow stands a tree  
'Neath tree flows a river  
But my fondest memory

Is the tree in the meadow  
With a stream drifting by  
And carved upon that tree  
I see "I'll love you 'til I die."

I will always remember  
The love in your eyes  
The day you carved upon that tree  
"I'll love you 'til I die."

And farther on down lovers' lane  
A silhouette I see,  
I know you're kissing someone else  
I wish that it were me.

By the tree in the meadow  
My thoughts always lie  
And wherever you go, you'll always know  
I'll love you 'til I die...
