He tells his wife he's going back to work
To finish something he's left undone
And like a fool she believes every word
The door slams and he's on the run

To that other side of town
Where the music's turned up and the lights are turned
down

He's a two timin' two stepper
Lookin' for a one-night stand
Slidin' on the dance floor
Slippin' off his wedding band

He'll waltz into the heart
Of every pretty girl he can
Ooo, he's a two timin' two stepper
Lookin' for a one-night stand

Everybody in town knows his name
They know his wife and they know his game
But he continues to play it just the same
'Cause he's a fool and he has no shame

But he always seems to find
Somebody new to believe his lines

He's a two timin' two stepper
Lookin' for a one-night stand
Slidin' on the dance floor
Slippin' off his wedding band

He'll waltz into the heart
Of every pretty girl he can
Ooo, he's a two timin' two stepper
Lookin' for a one-night stand

He'll keep dancin' and foolin' around
Till the walls around him come a-tumblin' down

He's a two timin' two stepper
Lookin' for a one-night stand

Slidin' an the dance floor
Slippin' off his wedding band

And he'll waltz into the heart
Of every pretty girl he can
Ooo, he's a two timin' two stepper
Lookin' for a one-night stand

He's a two timin' two stepper
Lookin' for a one-night stand
