If I see you tomorrow on some street in town  
Pardon me if I don't say "Hello"  
I belong to another, And it Doesn't look so good  
To know someone I'm not supposed to know.

Just walk on by, wait on the corner  
I love you but we're strangers when we meet  
Just walk on by, wait on the corner  
I love you but we're strangers when we meet.

--- Instrumental ---

In a dimly lit corner at a place outside of town  
Tonight we'll try to say "Goodbye" again  
But I know it's not over, I'll call tomorrow night  
I can't let you go so why pretend?

Just walk on by, wait on the corner  
I love you but we're strangers when we meet  
Just walk on by, wait on the corner  
I love you but we're strangers when we meet...
