(Conway)

He's married to you, I'm not,
But that don't stop me from wantin' what he's got
So tonight, we'll take the time, the time for love
It may be wrong, but we've been long strong enough.

(Conway & Loretta)

We've been strong long enough
For some time, we had in mind to be weak enough
That's the night we call each others bluff
Maybe wrong, but we've been strong long enough.

(Loretta)

You show me your love and I'll show you mine
And I'll remember things she's so forgetful of
It may be wrong, but we've been strong long enough.

(Conway & Loretta)

We've been strong long enough
For some time, we had in mind to be weak enough
That's the night we call each others bluff
Maybe wrong, but we've been strong long enough.

That don't stop me from wanting what she's got

We've been strong long enough
