I know it's late and I know you're weary
I know your plans don't include me
Still here we are, both of us lonely
Longing for shelter from all that we see.

Why should we worry, no one will care girl
Look at the stars so far away
We've got tonight who needs tomorrow?
We've got tonight why don't you stay?

Deep in my soul, I've been so lonely
All of my hopes, fading away
I've longed for love, like everyone else does
I know I'll keep searching, even after today.

So there it is girl I've said it all now
And here we are babe, what do you say?
We've got tonight who needs tomorrow?
We've got tonight why don't you stay?

I know it's late, I know you're weary
I know your plans don't include me
Still here we are, both of us lonely.

We've got tonight who needs tomorrow?
Let's make it last let's find a way
Turn out the light, come take my hand now
We've got tonight babe why don't you stay?

We've got tonight who needs tomorrow?
Let's make it last let's find a way
Turn out the light, come take my hand now
We've got tonight babe why don't you stay?

Oh, oh, why don't you stay?...
