When you're in love with a beautiful woman
Ih, it's hard
When you're in love with a beautiful woman
Well, it's hard
Everybody wants her
Everybody loves her
Everybody wants to take your baby home.

When you're in love with a beautiful woman
You watch your friends
When you're in love with a beautiful woman
It never ends
Ah, you know that it's crazy
You want to trust her
Then somebody hangs up when you answer the phone
When you're in love with a beautiful woman
You go it alone.

Maybe it's just my own ego problem
Problem is that I've been fooled before
By fair-weather friends and faint-hearted lovers
And everytime it happens
It just convinces me more.

When you're in love with a beautiful woman
You watch her eyes
When you're in love with a beautiful woman
Keep lookin' for lies
Everybody tempts her
Everybody tells her
She's the most beautiful woman they know.

When you're in love with a beautiful woman.

When you're in love with a beautiful woman...
