(Shake, shake)

(Shake, shake it)

(Shake, shake)

Well, I said come on over, baby

Whole lotta shaking going on

(Shake, shake, shake, shake it)

Yeah, come on over here, baby

Baby, don't you know

You can't go wrong

(Shake, shake, shake, shake it)

Come on over

A whole lotta shaking going on

(Shake, shake)

Well, come on over, baby

We got chicken in the barn

(Shake, shake, shake, shake it)

Yeah, come on over here, baby

Honey we got that old bull by the horn

(Shake, shake, shake, shake it)

Bring it on over

A whole lotta shaking going on

(Shake, shake)

Yeah, we're gonna shake

Make ya shake

Aw, shake, make ya shake

Whoa, whoa, whoa, oh

Little baby, make it shake

Come on over here, baby

Got a whole lot of shaking going on

Let's go, let's go, one time now

Well, I said come on over, baby

Whole lotta shaking going on

(Shake, shake, shake, shake it)

Yeah, come on over here, honey

Baby, don't you know

We can't go wrong

(Shake, shake, shake, shake it)

Come on over

A whole lotta shaking going on

(Shake, shake)

Aw, easy now, shake it

Aw, wooo weee

Aw, shake, make ya shake it

I said a come on over, baby

Whole lotta shaking going on

Let's get it real

Down one more time

Come on shake

Aww, baby, shake

Aww, ha ha ha ha

Yeah, come on, baby

Make it shake

Aww, baby, you know what I like

Let's go, let's go one time

Let's shake, baby, shake

Come on, shake, make it shake

Whoa, whoa, whoa

Little baby, make it shake

Come on over

We got a whole lotta shaking going on

Yeah
