Just outside these prison bars the hanging tree is  
waiting  
At sunrise I'll meet darkness and death will say hello  
Darling touch your lips to mine and tell me that you love  
me  
And promise me again before you go  
Will you visit me on Sundays will you bring me pretty  
flowers  
Will your big blue eyes be misty will you brush away a  
tear  
A grave is filled with silence but if a sleeping man  
could hear  
Darling would I hear your footsteps up there  
[ [ piano - steel ]  
Promise me that time won't separate me from your  
mem'ry  
That you'll remember me until the days of silver hair  
If not for you I know I'd lose my mind before the  
morning  
Hold me close and tell me that you care  
Will you visit me on Sundays...
