With pen in hand, you signed your name
Today at five, I'll be on that train
And you'll be free and I will be alone so alone

If you think we can't find the love we once knew
If you think I can make everything up to you
Then I'll be gone and you'll be on your own
You'll be on your own

Can you take good care of Johnny?
Can you take him to school everyday?
Can you teach him how to catch a fish?
And keep all those bulllys away, hear what I say

Can you teach him how to whistle a tune
Can you tell him about the man in the moon
If you can do these things then maybe
He won't miss me, maybe he won't miss me

And tonight as you lay in that big lonely bed
Can you look at the pillow where I laid my head?
And with your heart on fire, will you have no desire
To kiss me and to hold me?

And if you can forget the good times we had
If you think that the good times won't outweigh the bad
Then sign your name and I'll be on my way
I'll be on my way, hmm, hmm
