Have you found since you turned me down
The one that you were searching for
Are you glad since you made me sad
For you know I vowed to love you ever more

What did you have in mind when you broke this heart of
mine
Are you laughing in my face
Darling what can I do when you say we are through
You've left a wound time can't erase
[steel]
Tell me dear are you satisfied To be foot loose and
fancy free
Is it power you want for the things you have done
What you've gained I guess I'll never see
What did you have in mind...
