You think all I have to do  
Is save my love for you  
Every hour of the day  
While you're away.

Yea, yea, yea, yea  
Gonna brush my tears away  
Yea, yea, boo, hoo  
The tears I cried for you.

I, I, I, I tried  
To keep you satisfied  
You, you, you've gone  
And left me all alone.

--- Instrumental ---

Yea, yea, yea, yea  
Gonna brush my tears away  
Yea, yea, boo, hoo  
The tears I cried for you.

No, no, no more  
Way I walk the floor  
No more, boo, hoo  
Gonna find somebody new...
