I would just like to say, dear  
Thank you for making my life all it should be  
Life's not the same your love has changed dear  
You love the best out of me.

You are my dreams coming true  
I'm doing everything I've ever wanted to do  
You've made me all I've ever wanted to be  
You love the best out of me.

--- Instrumental ---

There's not a place I'd rather be than with you  
I'll never want for nothing more than now I see  
A piece of mind all the time I'm with you  
You love the best out of me.

You are my dreams coming true  
I'm doing everything I've ever wanted to do  
You've made me all I've ever wanted to be  
You love the best out of me.

You've made me all I've ever wanted to be  
You love the best out of me...
