I just lay here at night, I toss and I turn  
Loving you so how my heart yearns  
Honey, you're the reason I don't sleep at night

Walking the floor, feeling so blue  
Smoke cigarettes, drink coffee too  
Honey, you're the reason I don't sleep at night

Well, I'm bettin' you're not losin' sleep over me  
I believe, if I'm wrong don't fail to call  
Come over and keep me company

Sometimes, I go for a walk, take a look at the moon  
Strum my guitar, sing out of tune  
Honey, you're the reason I don't sleep at night

Walking the floor, feeling so blue  
Smoke cigarettes drink coffee, too  
Strum my guitar, sing out of tune, losin' sleep over you

Well, I'm bettin' you're not losin' sleep over me  
I believe, if I'm wrong don't fail to call  
Come over and keep me company

You're the reason, you're the reason  
You're the reason, you're the reason
