CHORUS:

Ice Ice Mickey, ooh baby  
Ice Ice Mickey, everybody  
Ice Ice Mickey, sing it with us  
Ice Ice Mickey, oh! oh! oh!

RAPPER:

He's a mouse with a mission, a fine musician  
Fun and dancin' are the first requisition  
Music in the key of peace and harmony  
The world all together and that's the way it has to be

MINNIE:

Movin' to the beat, yellow shoes on his feet  
When he's on the microphone he gets you off your seat  
Bringing down the house, cool as a mouse  
Sing along with Mickey and you'll see what it's about

CHORUS

RAPPER:

Busts out a rhyme, doesn't even try  
Goofy's got the moves and Minnie is fly

MINNIE:

Try though they will they never get their fill  
Other mice come but Mickey puts 'em through the mill

RAPPER:

Sing another line, make ya feel fine  
Such a little star so bright will shine

MINNIE:

Once, twice, thrice, nice like ice  
The beat is the best when you sing it with the mice

CHORUS

RAPPER:

Now anyone can tell ya when you're lookin' for fun  
He's the mouses with the mostess he's the only one

MINNIE:

When it comes to bein' cool, spreadin' joy  
across the land  
Who's the only mouse to do it, who's the leader of the  
band?

CHORUS TO FADE
