She doesn't have the answer yet, the answer yet.  
I'm breathin' down the neck.  
Maybe I should give her time.  
If it were up to me,  
she would know that she'll be the one.  
When I'm dead, we'll use my bed.  
And she'll spend her life,  
thinking of us, and making a fuss.  
If it were up to me, she would know that....

our love, (our love)  
is your best love(best love).  
If it were up to me.  
Yes, our love(our love)  
is real love.  
So just let it be..

I want you to know, I looked in our charts, and it says  
that we work as one; like the Jackson Five and the  
Temptations.  
If it were up to me, she would know that....

our love (our love)  
is the best love (best love).  
If it were up to me.  
Yes, our love (our love)  
is real love.  
So just let it be

Well, your mother likes my smile  
and your father likes my lifestyle.  
Should I ask them what I asked you-  
to get the answer?  
Yes, to get the answer.

It's easy (easy).  
It's easy (easy)  
It's easy (easy).  
Oh, it's easy(easy).  
(So....)

Your mother likes my smile.

And your father likes my lifestyle.  
Should I ask them what I asked you?  
To get the answer.  
Yes, to get the answer.

Cuz our love (our love)  
is your best love(best love).  
If it were up to me.  
Yes, our love (our love)  
is the best love(best love).  
So just let it be.

It's easy (easy).  
It's easy (easy).  
It's easy.
