Darlin', I knew it was you
Oh, please tell me what to do?
You gave me the will to go on
As soon as I picked up the phone

The talk is around that we're through
Oh, darlin', tell me what to do?
I knew that you'd tell me, they were wrong
As soon as I picked up the phone

Oh, no, oh, no
I can't believe that it's true
Oh, no, oh, no
I can't believe that we're through

You tell me it's over and done
You say that you've had all your fun
But I can't believe you'll be gone
As soon as I hang up the phone

As soon as I hang up the phone
