Said the fight to make ends meet, keeps a man upon  
his feet  
Holding down his job, trying to show he can't be bought

Ooh it takes every kinda people to make what life's  
about, yeah.  
Every kinda people to make the world go round.

Someone's looking for a lead in his duty to a king or to  
a creed  
Protecting what he feels is right, fights against wrong  
with his life.  
There's no profit in deceit.  
Honest men know that revenge does not taste sweet  
Whether yellow, black or white, each and every man's  
the same inside.

It takes every kinda people to make what life's about,  
yeah.  
It takes every kinda people to make the world go round.

You know that love's the only goal that could bring a  
peace to any soul.  
Hey and every man's the same, he wants the sunshine  
in his name.

It takes every kinda people to make what life's about,  
yeah.  
It takes every kinda people to make the world go round.  
Every kinda people to make what life's about.
