There are times that I can count and say
That life seems so unfair
I just wanna be in Your presence Lord
Because there is safety there
For' I know, that You
Will not put more on me than I can bear
So I, will trust You
For' I know that You care, I know You care for me

(Oh oh oh oh oh oh) oh oh oh oh
(I know that You care for me) I know that You care...
(That's why I can stand and fight)
(I can make it through the night) yeah yeah yeah
(Because You care for me)
Lift your voice and say oh

(Oh oh oh oh oh oh) oh oh oh oh
(I know that You care for me)
(That's why I can stand and fight) that's why I can stand
and fight
(I can make it through the night) can make it through
the night
(Because You care for me)
Care for me, care for me

So right in the midst of my storm
I have peace within my heart
I know that You're by my side
And Your presence will never depart
For' I, I believe
That all my burdens You will share
So I cast them on You
'Cause I know that You care, I know You care for me

(Oh oh oh ooh oh) oh oh, I know
(I know that You care for me)
(That's why I can stand and fight) That's why I can
stand and fight
(I can make it through the night) I can make it through
the night
(Because You care for me) oh

Singin' oh, oh

(Oh oh oh ooh oh) oh oh, I know that You care
(I know that You care for me) care for me
That's why I can stand and fight
(I can make it through the night) Yeah, because You
care
(Because You care for me) You care for me

When I was down (You lifted me)
When I was sick (You healed me)
That's why I depend on You
'Cause I know Your love is true
Oh oh
So true
And I'll love You (yes I'll do)
And I'll praise You (oh yes I'll do)
I'll praise Your name
Yes I will
'Cause I'll never ever be the same
No no

You're a wonderful
