Lyrics by Tamara Williamson

Lay down beside me  
You beautiful dreamer  
Of sweet things

The planet's going round  
And you're around me  
You surround me

We hustle through the day  
Big long days  
We rustle through the paper  
Pushing maze  
You tossle in your sleep  
Sweet sweet sleep

The sun's sitting on me  
And I'm basking  
For an hour or two

The planet's going round  
And you're around me  
You surround me

We hustle through the days  
Long hot days  
We rustle through the paper  
Pushing maze  
We stumble onto streets  
Cold long streets  
In sweet sweet sleep
