Right on Time  
U changed my mind  
Right on Time  
Showed me I could do it again  
U came

V1: So Out of touch with myself  
Not strong enough to do this all over again (no)  
I don't wanna come face to face with crazy ways of  
Love again

I refuse to make the same mistakes, waste my time  
To deal with all of the troubles that comes along with  
Love  
I don't wanna hurt no more  
No doubts , no reservations

Hook. U changed my mind  
Right on Time  
Showed me I could do it again

V2  
Don't wanna listen to no more tired lies where truth  
always subside  
Much Better off on my own out here, Cause I won't let  
me down  
Showed me that it was all the choices that  
I made, had to find my way, and do what was right one  
4 me  
Helped me remember, how good it could be when it's  
working out see u

Vamp: I never knew that (it could be so )  
It's was you that (open my heart)  
I use to think that (so hopeless)

Bridge:  
I thought that I knew  
All that there was to know  
But I never knew , til  
You came along  
Gave me a brand new song

So glad that you
