

Middleage "Not Afraid"

Visit "[Not Afraid](#)" on MotoLyrics.com

Let me sneak around you
leave a little space
Touch me with your patience
but don't snare me in your trace
Cause connection without a failure
is all that we need, yeah envelop in feelings
is a pressure we cannot feed

I'm not afraid of what's coming
I'm not afraid I'll leave you
I'm not afraid of what's coming
I'm not afraid

Afraid of you
Afraid of you
Afraid of you
Afraid of you

A fixed Idea of silence
hiding in a box
to runaway from kindness
and all the things I've lost
but I want to be around you
to play a little game
I hope you understand me
so I can leave my acts of shame

I'm not afraid
I'm not afraid
I'm not afraid
I'm not afraid
