Put yo hands up, put em up, put em up  
Put yo glasses up, fill em up, fill em up  
From the front to rear, put em up, put em up  
Got to velvet in  
Cause it's  
Last call Ooo Oooo, last call Ooo Oooo,  
Last call Ooo Oooo, last call Ooo Oooo

I'm gettin' in this spot, no-one gonna stop us  
I got a secret weapon, his name is Club Thaddeus  
If you love Phamous you gonna love this too  
Like I said in the last song, we pop in Belvedoo  
Crushing models too, you know how we do

Last call

Yeah, somethin' happens, when the drinks start flowin'  
They start dancing on tables, stripping get naked,  
jumping on couches  
It's twelve twenty-nine, yeah, we just gettin' started  
In NYC they got one minute left  
In MIA mami hold your breath  
In LA one hour before they yell it...

Last call Ooo Oooo, last call Ooo Oooo,  
Last call Ooo Oooo, last call Ooo Oooo

Get on the dancefloor Las Vegas  
Get on the dancefloor New York  
Get on the dancefloor Miami  
Get on the dancefloor LA  
Get on the dancefloor El Rock It  
Get on the dancefloor Elena  
Get on the dancefloor Enrique  
Get on the dancefloor

Yeah we in this here, bartender drinks on me  
I want everyone to feel how I feel when I'm rockin' in the  
VIP  
If you get money and you go out too  
Like we said in the last song

This is how we do  
Red carpets for my whole crew  
Chauffer waitin' out in the cruise

Last call

Hurry up y'all, I'm on a plane in an hour  
Swift tip the waiter let's toast to the bj  
Cause in about a minute this whole night's over  
It's twelve twenty-nine, yeah, we just gettin' started  
In NYC they got one minute left  
In MIA mami hold your breath  
In LA one hour before they yell it..

Last call Ooo Oooo, last call Ooo Oooo,  
Last call Ooo Oooo, last call Ooo Oooo
