Get out your seat, and move your feet! (2x)
We phamous—everybody's phamous!
When you up in Vegas
Can't nobody blame us, for acting phamous
That's right phamous
P-h- VEGAS, you know it's all good

Everybody... P-H-A-M-O-U-S (everybody) P-H-A-M-O-U-S
(everybody) P-H-A-M-O-U-S (that's right)
Phamous, I love being phamous... I...

We in the pleasure pit
Black jacks with a stack of chips
Cherries on slots, hitting jackpots
Sipping martinis with a lemon twist
Yup, course now, we taking flicks
Can't blame us for acting rich, and phamous, that's
right P-h- VEGAS
Don't be mad you haters, it's all good
That's what the fast life's all about
Money in the air, scream and shout
Bass, look what you been missing out (on),

We phamous, everybody's phamous
When you up in Vegas, can't nobody blame us
For acting phamous, that's right phamous
Planet Hollywood, heart bar it's all good

Everybody... P-H-A-M-O-U-S (everybody) P-H-A-M-O-U-S
(everybody) P-H-A-M-O-U-S (that's right)
Phamous, I love being phamous... I...

Wanna fly around the world
Party with famous girls, have people pretend to be my
friends
Cause I know Shay Carl
WE IN VEGAS (heyyy)
Spending money (heyyy)
P-h- VEGAS (heyyy)
Spending money (heyyy)

This life is marvelous

Patrolling our stop with the party bus
Blue M&M's with imported nuts
Like Chenelle said, who could blame us, for being...

Phamous! Everybody's phamous
When you up in Vegas, can't nobody blame us
For acting phamous, that's right phamous
P-h- VEGAS, you know it's all good

Everybody... P-H-A-M-O-U-S (everybody) P-H-A-M-O-U-S
(everybody) P-H-A-M-O-U-S (that's right)
Phamous, I love being phamous... I...

Get out your seat, and move your feet! (4x)

When you up in Vegas
Can't nobody blame us, for acting phamous
That's right phamous
