### "Dear Friend"

As I wait alone  
By the telephone  
For you to call me up  
I've been thinking about  
All the times we had  
Together me and you  
Dear friend (\*3)  
And it makes me glad  
To think about  
All the things that we've been through  
And it seems to me  
That it seems to be  
No friendship quite like this  
Dear friend (\*3)

May you sleep tight my friend  
May the Lord watch over you  
As I bid farewell  
There's nothing more to tell  
Than that I remember you  
Dear friend (\*3)  
May you sleep my friend  
Dear friend.....
