Did we ever show it?
Did we ever show the world who we were?
Did we ever blow it?
Did we ever know the depths of the earth?

Did we ever want it?
Did we ever want the throne at stake?
Did we ever know it?
Did we ever know who we really were?

Did we ever we get it?
Did we ever get what we deserved?
Did we ever serve it?
Did we ever serve the given task?

Did we ever we give it?
Did we ever give what we had to give?
Did we ever love it?
Did we ever love what we had found?

Did we ever lose it?
Were we losing from the start?
Did we ever blow it?
Did we ever blow the beating heart?

Did we ever hope that?
Did we ever hope it'd come to this?
Did we ever show it?
Somewhere deep within the dark (*4)

Did we ever show it?
Did we ever show the world who we were?
Did we ever blow it?
Did we ever blow the depths of the earth?
