"Into The Dark"

Visit "[Into The Dark](#)" on MotoLyrics.com

I lay at night dreaming of someone like you in my life
I lay at night dreaming of someone like you in my life
When the world is lonely as it often is
Where the lust of lovers die
Into the dark, into the dark, into the dark I go

I lay at night dreaming of someone like you in my life
I lay at night dreaming of someone like you in my life

When the world is lonely as it often is
Where the lust of lovers die
Into the dark, into the dark, into the dark I go

When the world is lonely as it often is
Where the lust of lovers die
Into the dark, into the dark, into the dark I go
Into the dark, into the dark, into the dark I go
