I'm sorry for causing you this pain  
Hey baby, won't you let me explain  
It's not a case of right or wrong  
I can't sleep until the dawn  
I'm sorry for being this way  
Hey baby, what more can I say  
I'll be fine when the night is gone  
I can't sleep until the dawn

I'm sorry, this may sound strange  
But I just can't change

I'll see the light, it won't be long  
I can't sleep until the dawn  
Joins my masquerade  
Joins my masquerade  
Until the dawn rains on my brain  
Come and enjoy my masquerade  
Masquerade
