Yeah  
The way you put me down  
Just the other day  
You left me standing there  
With nothing to say  
I was walking tall when you knock me  
You knock me up, my fear  
Baby; look at what you've done to me  
You knock me up, my fear

And I-I'm here, rock bottom, baby  
I'm here, rock bottom  
I'm here, rock bottom, baby  
I'm here, rock bottom

Saw you walking down the avenue  
Dressed so fine, looking around you  
Tried so hard to turn the other way  
But, I can't go cause you blew me away  
No, I can't go cause you blew me away

Cause I-I'm here, rock bottom, baby  
I'm here, rock bottom  
I'm here, rock bottom, baby  
I'm here, rock bottom

I can't get you off my mind  
I can see my love is blind  
Won't you please give me a little break  
Take away all this ache  
Baby; take a look at what you've done to me  
It's more than I can take

Cause I-I'm here, rock bottom, baby  
I'm here, rock bottom  
I'm here, rock bottom, baby  
I'm here, rock bottom

I-I'm here, rock bottom, baby  
I'm here, rock bottom  
I'm here, rock bottom, baby

I'm here, rock bottom
