Sailing dark waters
Amid rocks of despair
Sailing dark waters
Through a stormy affair
Sailing dark waters
I ain't goin' nowhere
Sailing dark waters

Set adrift on the river of dreams
Between the devil and the deep blue sea
I've thrown my love amid the rocks of despair
Trying to redeem a little small born affair

But baby if you want me to
I cross every ocean on a ship of fools
To get back home to you
But baby if you want me to
I cross every ocean on a ship of fools
To get back home to you

Sailing dark waters
Amid rocks of despair
Sailing dark waters
Through a stormy affair
Sailing dark waters
I ain't goin' nowhere
Sailing dark waters

The face of an angel appeared to me
By the moonlight in my hour of need
Down by the water I was taken by storm
Beaten of, burned out and torn

But baby if you want me to
I cross every ocean on a ship of fools
To get back home to you
Yeah, but baby if you want me to
I cross every ocean on a ship of fools
To get back home to you, to you, to you, to you
Yeah, but baby if you want me to
I cross every ocean on a ship of fools

To get back home to you
Get back home to you (*2)
Home to you (*2)
Get back home to you
Home to you.....
