You're goin' down
Like a clown
You've been hangin' around
Wearin' shades when the sun don't shine
Nothin' but a kid all burned out
Cursin' and screamin' under a cloud
Wearin' shades when the sun don't shine

If I close my eyes
When you go out tonight
Will you then talk to me?

Like an old man sittin' with a cane
Longin' for love alone in the rain
Wearin' shades when the sun don't shine

You're nothin' but a kid all burned out
Cursin' and screamin' under a cloud
Wearin' shades when the sun don't shine

If I close my eyes
When you go out tonight
Will you then talk to me?

If I close my eyes
When you go out tonight
Will you then talk to me?

(Instrumental)

If I close my eyes
When you go out tonight
Will you then talk to me?

If I close my eyes
When you go out tonight
Will you then talk to me?
Will you then talk to me?

You're goin' down
Like a clown

You've been hangin' around
Wearin' sheades when the sun don't shine
