She waits,
and waits,
until they're done.
awaits initiation,

ohhh

observing ways that they trick you,
you stand to hurt,
but can't be dead.

ohhh

too old
for cute,
too young for good.
if she galls enough she'll get her way.

ohhh

He's growing up,
a complex world.
difficult but so much,

fuuun

more the thoughts of daddy's face,
driving now with lovers grasp,

ohhh

just to play (x 10)
