Can't go on possessed by a dream  
Meet like to ships in the night  
Close my eyes and drift away  
I was betrayed by a dream

Stole and you took  
I was the book  
All you did was you took

Don't you go think that it's over  
I still feel your heart next to mine  
Your touch make me burn babe  
Let's climb all the way to the stars

No way out  
No way out

Close my eyes and drift away  
I am scared and I'm burned  
I was blind but now I see  
Dirty tricks played on me

Stole and you took  
I was the book  
All you did was you took

Don't you go think that it's over  
I still feel your heart next to mine  
Your touch make me burn babe  
Let's climb all the way to the stars

No way out  
No way out
