Ft. Amela

Let me take you higher
Can you feel my desire
Share it forever

Let me give you something
For that you've got this feeling
Could you please leave me alone

You are the only one
That can go on my way
Maybe

'Cause you understand what I feel
And it so real
By my side

And you can't follow me at all
My dreams are still the same
And you can't follow me at all
My dreams are still the same
You couldn't be my man

Let me take you higher
Can you feel my desire
Share it forever

Let me give you something
For that you've got this feeling
Could you please leave me alone

I think that I've found you
Finally
I'm sure that you are the one

'Cause you understand what I feel
And it so real
By my side

And you can't follow me at all
My dreams are still the same

And you can't follow me at all
My dreams are still the same
You couldn't be my man
