UNITED AS ONE

(Words and music by MiG Ayesa)

(Tagalog Translations by Freddie Santos)

Kapatid, Kaibigan, Kababayan

(Sibling, friend, countrymen)

Kapatid, Kaibigan, Kababayan

Kapatid, Kaibigan, Kababayan

Kasama mo ako

(I am with you)

Kasama mo ako

I hear you calling out my name

And I can't just ignore what you're saying

I see you falling from the pain

And I'm feeling the way that your hurting

You're my brother, sister don't you cry

I'll be there by your side to hold you up

Though you never thought this would matter

I'll never leave you alone (Kasama mo ako)

So hold on tightly, hang on I'll be

There by your side and we'll battle the tide together...

Together...

Don't be scared we'll

Soon be where we

All want to be as we stand here united as one.

Pag langit ay du-mi-di-lim (When dark clouds leaves  
you in despair)

And the rain seems to fall down forever

At buhay ay uma-aah-sim (When life is just too much  
too bear)

And you can't feel the break in the weather

You don't have to worry

I'll help you carry on

Through the eye of the storm we're holding on

The day's dawning, feel the sun warming

Healing you, keeping you strong... (Kasama mo ako)

So hold on tightly, hang on I'll be

There by your side and we'll battle the tide together...

Together...  
Don't be scared we'll  
Soon be where we  
All want to be as we stand here united as one.

Kapatid, Kaibigan, Kababayan  
Kapatid, Kaibigan, Kababayan

You are my brother, sister, mother  
I'll be there by your side to hold you up  
I'll be by your side...

So hold on tightly, hang on I'll be  
There by your side and we'll battle the tide together...  
Together...  
Don't be scared we'll  
Soon be where we  
All want to be as we stand here united as one.

We stand as one.
