Chorus

I am, a living testimony
I could have been dead and gone
But lord you let me live on
I am, a living testimony
And i, i thank the lord for keeping me alive

Verse 1

I've seen miracles after miracles
Performed in my life
You kept having mercy on me
I didn't even deserve to be alive
When i see danger that i couldn't see
You kept your angels all around me
And i want to take the time out
And say, i thank you lord i'm still live.

I have many friends and loved one
That's gone on before me
Lord it caused my heart to bleed
But i realize that it could have been me
I know that i'm worthy
But lord, you keep on, keeping me
And i thank you lord
And i thank you lord that i'm still alive

I am, a living testimony
I could have been dead and gone
But lord you let me live on
I am, a living testimony
And i thank the lord i'm still live.

I thank you
I thank you for being a live
When i woke up this morning i had food
Food for my family
I had my health
And thank you lord for my strength
I have a roof over my head
I was able to walk out my door
Thank you... i'm alive
