Chorus

(what a wonderful god he is).
What a wonderful god he is.
I can't thank him enough for all he's done;
(what a) wonderful god he is.

When i looked back over my life
And i can thank him from whence i came from;
He brought me through the storm
And he kept me from the rain.
When i felt like giving up,
He was always there for me,
Not one time did he leave me alone;
He's been a mighty good friend to me.

He's a wonderful god,
He's a wonderful.

He's a wonderful god,
So wonderful.
