It's gripping, I'm ripping  
I haven't just been sipping  
Stressing, no messing  
Will I ever learn my lesson?

I'm always amazed by what can take place  
Within the space of 300, 365

Sinning, I'm spinning  
In the beginning I was winning  
Clinging, still swinging  
If I could I would be singing

I'm always amazed by what can take place  
Within the space of 300, 365

I'm empty of answers  
Don't nobody search me  
The long neck's a twist off  
You don't need a church key

I'm still full of questions  
But can't quite see clear  
Twist off another  
Twist off another  
Twist off another  
And bring on next year

Drilled, it killed, my guts are being spilled  
Wailed, impaled  
My last breath's been inhaled  
That's still in me, I haven't failed

I'm always amazed by what can take place  
Within the space of 300, 365

I'm empty of answers  
Don't nobody search me  
The long neck's a twist off  
You don't need a church key

I'm still full of questions

But can't quite see clear  
Twist off another  
Twist off another  
Twist off another  
And bring on next year

300, 365  
300, 365  
300, 365  
365 day
