Don't stop, let yourself go !
Don't stop, let yourself go !
Don't stop, let yourself go !
Don't stop ! Just go !
Don't stop, let yourself go !
Don't stop, let yourself go !
Don't stop, let yourself go !
Don't stop ! Just go !
We are the world
We have the power
We are the world
We are the future
We are the world
We have the power
We are the world
It's a world for you
It's a world for me, a world,
where everybody's free
We've got the power,
to believe
Don't stop, let yourself go !
Don't stop, let yourself go !
Don't stop, let yourself go !
Don't stop ! Just go !
We are the world
We have the power
We are the world
We are the future
We are the world
We have the power
We are the world
It's a world for you
It's a world for me, a world,
where everybody's free
We've got the power,
to believe
It's a world for you
It's a world for me, a world,
where everybody's free
We've got the power,
to believe

It's a world for you
It's a world for me, a world,
where everybody's free
We've got the power,
to believe
It's a world for you
It's a world for me, a world,
where everybody's free
We've got the power,
to believe
