He was a famous trumpet man  
From out Chicago way  
He had a boogie style  
That no one else could play  
He was the top man at his craft  
But then his number came up  
And he was gone with the draft  
He's in the army now  
He's blowin' reveille  
He's the boogie-woogie bugle boy of Company B

They made him blow a bugle  
For his Uncle Sam  
It really brought him down  
Because he could not jam  
The Captain seemed to understand  
Because the next day the Cap'  
Went out and drafted a band  
And now the company jumps  
When he plays reveille  
He's the boogie-woogie bugle boy of Company B

A-toot a-toot  
A-toot diddle-ee-ada-toot  
He blows it eight to the bar  
In boogie rhythm  
He can't blow a note  
Unless the bass and guitar  
Is playin' with 'im

And the company jumps  
When he plays reveille  
He's the boogie-woogie bugle boy of Company B

He was some boogie-woogie bugle boy of Company B  
And when he plays boogie-woogie bugle  
He's was busy as a bzyy bee  
And when he plays he makes the company jump  
Eight to the bar  
He's the boogie-woogie bugle boy of Company B

Aaaa-Toot diddle-ee-ada-toot-diddle-ee-ada  
Toot toot he blows it eight to the bar

He can't blow a note  
If the bass and guitar  
Isn't with 'im

A-and the company jumps  
When he plays reveille  
He's the boogie-woogie bugle boy of Company B

He puts the boys to sleep  
With boogie every night  
And wakes them up the same way  
In the early bright  
They clap their hands and stamp their feet  
Because they know how he goes  
When someone gives him a beat  
Whoo-who  
He breaks it up  
When he plays reveille  
The boogie-woogie bugle boy of Company B

A-toot A-toot  
A-toot diddle-ee-ada-toot-diddle-ee-ada  
to-boot blee blah  
Blows eight to the bar  
Yeah, can't blow a note if the bass and guitar,  
it's whoo-wham, bam!

A-and the company jumps  
When he plays reveille  
He's the boogie-woogie bugle boy of Company B
