[(Devil) and Antonious Speakin]  
(Sup Antonious) Yeah  
(I see you're still tryin to be like Yaweh) That's right,  
that's right  
(Told ya, you belong to me) What?  
(You know you down on my team, yo) Man, what?  
(Rockin them shows) Man you trippin yo, straight up  
(Yeah) Yeah  
(Stay over here in my camp, I give you all the riches in  
the world)  
What ever man  
(Everything you ever wanted, fancy cars, nice clothes,  
jewelry)  
Man I gotta put you under my feet everyday dont I?  
Thats what you want me to do everyday aint it?  
I aint even gonna trip wit you  
(I think ya scared of me)  
Scared of you, man the Lord has not given me a spirit  
of fear  
But of love and a sound mind  
(Yeah) That's right

[Anotnious]  
It's do or die when you're tryin to live your life right  
Despite all the pain and depression  
I gotta go through tryin to let me light shine  
In tha darkness, presist to cut through the midst  
Need help wit this, sometimes it hurts me  
But I cant stop swingin my fist aint no way Ima let that  
devil work me  
Lord, give me the help so I can avoid hell  
And touch the brothers in the jail cell  
Holy Ghost can you give me the words to say  
I understand that my flesh is fail, but unless I tell  
I be runnin in vain and God knows that I'm ready to  
change  
Cause its now the same, its a shame I'm gettin out the  
game  
Antonious, bold soldier steady on this thang  
Wake up, early in the morning creasing my jeans  
Perry Ells, livin swell, but who can tell

There's a war goin on inside of my head  
Devil get up in my face and my eyes turn red  
Cause I fell in my head the Holy Ghost be strong when  
I'm wrong  
Cause sticks and stone may break my bones  
But when its on its on so I gotta be strong  
Playa, and seems everyday I wake up its a big ol fight  
Caught in the middle of wrong and right  
The first thing on my agenda pleadin the blood  
Askin God, if he can spare my life  
Makin a scarafice of praise  
Hittin them knees cause the way I've been behavin  
needs to stop  
Cop any love for the shorties comin up in this thang  
So I'm puttin down to lock  
Satan pullin a deception

[(Devil) and Antonious Speakin]  
(You still makin changes) I'm changin  
Dont you know this world is mine?) This world is God's  
Where's your God at now?) In the Holiest place  
Aint nobody here but me and you) You wrong devil, you  
wrong  
Oh, is that right?) That's right, you heard me  
It's my time) Dont you know man I'm gon judge angles  
Above you not beneath you  
(No) That's right (No) In the name of Jesus I bind you up  
The Word of God says, whatsoever is losed on earth  
Is also losed in heaven (Dont you know this world is  
mine?)  
And I bind you up right now  
That Word says whatsoever is bound on earth is also  
bound in heaven  
(I'll be back) And I bind you up right now  
Devil I put you under my feet right now  
I command you in the name of Jesus to flee right now,  
huh

[Chorus]  
Deception.... Deception  
All the devil wants to do is cause deception  
All the devil wants to do is cause deception  
All the devil wants to do is cause deception  
All the devil wants to do is cause deception  
Deception.... Deception... Deception

[Antonious Speakin]  
I here to let ya'll know, not to be fooled by that devil  
Cause the devil is here to rob, steal, kill and destroy  
Breakin up our families, breakin up our hoods  
Its time we put that devil in his place

Thats right, in Jesus' name  
Its our world, its God's world  
Dont you know we gon judge angles  
Above and not beneath
