I'm setting fancy free, because she wants to go  
She's tired of loving me, she told me so  
I guess she don't know just how much she means to me  
But along with all my dreams I'm sitting fancy free

Yes I'm setting fancy free even though I love her still  
She'd be no good to me if I held her against her will  
Even thou that girl she's the best part of my world  
Along with all my dreams I'm setting fancy free

Oh Lord you just don't know how it hurts to say  
goodbye  
She did her best to stay I can't say she did not try  
I just hope the road she takes leads back to me  
So along with all my dreams I'm setting fancy free

Yes I'm setting free even though I love her still  
She'd be no good to me if I held her against her will  
Even though that girl she's the best part of my world  
Along with all my dreams I'm setting fancy free

Yes I'm setting fancy free even though I love her still  
She'd be no good to me if I held her against her will  
Even thou that girl she's the best part of my world  
Along with all my dreams I'm setting fancy free

Yes I'm setting free even though I love her still  
She'd be no good to me if I held her against her will  
Even thou that girl she's the best part of my world  
Along with all my dreams I'm setting fancy free
